- I. Welcome.
- II. Issue Action Plan. Team members will send new photos to staff for inclusion on the ArizonaSERVES website. Messaging needs to be changed to reflect “supporting CPS staff” instead of simply visitation room support. This includes providing supplies for families, or anything else deemed appropriate and desired by CPS local office staff.
- III. Summit Planning. Cox Communications and Champion Church of Yuma will be present at the Summit to report their “work in progress.” Judith is inviting Rev. Sakena Young-Scaggs to also participate. Team agreed to general breakout session agenda (overview of issue, tour of website, work-in-progress stories, and Q & A panel).
- IV. Upcoming Task Force meeting. September meeting will be on the 16th.
- V. Call to the Public: No public members were present.
- VI. Adjourn
